The Humane Society of Northeast Georgia (HSNEGA) uses qualified staffing and approved materials for all procedures performed. It is important for you to understand that the risk of injury or death, although extremely low, is always present, just as it is for humans undergoing surgery. **Carefully read and initial the following before signing your name.**

_____ I, acting as owner of the pet named above, hereby request/authorize the HSNEGA Spay/Neuter Clinic, through such veterinarians and assistants they may designate, to perform surgery for the sexual sterilization of the animal identified above.

_____ I understand surgery includes inherent risks up to and including possible injury or death of my animal resulting from the procedure and the use of anesthetics and drugs used in providing this service.

_____ I certify my animal is in good health and has had no food (if over 4 months of age) since 12 a.m. midnight the night prior to surgery.

_____ I understand the HSNEGA Spay/Neuter Clinic will not be performing a complete health examination on my animal before surgery is performed; however, I further understand HSNEGA has the right to refuse animals for surgery it deems unhealthy, aggressive, and/or pose a risk to staff or other animals.

_____ I understand if I fail to retrieve my animal at the agreed upon release time, HSNEGA may exercise its right to turn the animal over to Hall County Animal Control and/or I shall be charged a boarding fee of up to \$20 per night.

_____ I understand if my pet is in heat, cryptorchid (testicles not fully descended), pregnant, or has pyometra (uterine infection) there will be additional charges for the more complicated surgery. I authorize this additional expense.

_____ I understand if my pet has an unhealthy amount of fleas, he/she will be given a Capstar. I authorize this additional expense.

I understand my pet will receive a small tattoo on his or her underside to show she/he has been sterilized.

I understand HSNEGA is operating only as a surgical clinic and is unable to provide, or be held responsible for, any post-surgical complications or issues. I further understand HSNEGA shall bear no financial responsibility for any post-surgical costs and that it is my full responsibility to provide and pay for any veterinary after-care which may arise.

I hereby release the HSNEGA Spay/Neuter Clinic, the veterinarians, the assistants and all of its officers, directors, employees, and volunteers from any and all claims arising out of or connected with the performance of this surgery or any adverse reactions resulting from other wellness procedures. I agree I will not claim any right of compensation from HSNEGA or file legal action by reason of such sterilization or attempted sterilization of my animal or any consequences resulting thereto. Owner/agent hereby agrees to indemnify and hold HSNEGA harmless for any damages caused during the transportation of the animal or for any damages caused by unforeseeable events including but not limited to fire, vandalism, burglary, auto accident, or weather.

I understand there is an increased risk of complications from surgery for senior pets (7+ years). I certify that my pet is under 7 years of age or I have already had bloodwork done with HSNEGA prior to surgery.

I give permission to HSNEGA and its representatives to take photographs/video of my pet for various purposes, including, but not limited to promotion. I understand I will not be paid for these photographs and/or video footage and have no rights to them.
